

PREREQUISITE WAIVER

Name: _____ UT EID: _____ Date: _____

Class/Unique #/Semester: _____ Prerequisite to Waive: _____

Justification: _____

I am asking the Department of Computer Sciences to waive a prerequisite for a CS course. I understand that the Department of Computer Sciences is advising me not to take the CS course without the prerequisite(s).

I understand that if I **drop the course within the first 12 class days (during fall/spring) or within the first 4 class days (during summer)**, it will not count against the CS repeat policy. But if I drop the course after this day, it will count against the CS repeat policy.

(Student Signature)
