Effective Spring 2008, the following guidelines have been developed to ensure that student travel requests and reimbursements are properly processed in a timely manner and in accordance with university guidelines. Please read this information carefully.

- The purpose of a departmental travel award is to help defray a student’s expenses to attend a conference, symposia or other university or departmental event or activity. Priority will be given to students who will be presenting original papers based on their research. It is important that you submit an abstract if you or a co-author is presenting a paper. Also, please include the link below where the graduate adviser can view the date and time of the presentation. If you have an email with the invitation to present you can submit a copy of that also.
- At least two weeks prior to travel, the student must complete an on-line Request for Travel Authorization (RTA) form at http://www.cs.utexas.edu/department/administrative_information/travel_request/
- Also at least 2 weeks prior to travel a student “emergency medical” form is also required; please visit the Accounting Office in TAY 2.144A to receive the form and complete it, or download form at http://www.utexas.edu/student/vpsa/travel/

To claim the travel award, the student must retain all paid itemized receipts and present them to the CS Accounting Office (TAY 2.144A) immediately after the travel. **Receipts received 60 days after travel may not be reimbursed.**
- Due to end-of-year funding deadlines, travel in August will not be reimbursed until September.

Please type or print

Name: ______________________ EID: ______________________

Email address: ______________________ Date: ______________________

Dissertation or Thesis title: ________________________________________

Chair, dissertation or thesis committee: ________________________________

What meeting or conference are you planning to attend? Please list full title and provide URL to program with your presentation listed ________________________________

Location and dates of meeting or conference: ____________________________

Has your paper been accepted for presentation? ______ If not, when do you expect to know whether or not it has been accepted? ________________________________

PLEASE ATTACH AN ABSTRACT OF THE PAPER THAT YOU WILL PRESENT.
List all authors as they will appear in the program: ______________________
