

ebay inctm

eBay Inc. enables commerce by delivering flexible and scalable solutions that foster merchant growth.

WHO WE ARE

eBay delivers the world's largest online marketplace to customers via any connected device, connecting people with the things they need and love. With more than 100 million active users globally (as of Q4 2011), eBay is the world's largest online marketplace, where practically anyone can buy and sell practically anything. Founded in 1995, eBay connects a diverse and passionate community of individual buyers and sellers, as well as small businesses.

PayPal offers flexible and innovative payment solutions for consumers and merchants of all sizes. PayPal is the faster, safer way to pay and get paid online, via mobile devices and in store. The service allows people to send money without sharing financial information, with the flexibility to pay using their account balances, bank accounts, credit cards or promotional financing. PayPal is headquartered in San Jose, Calif. and its international headquarters is located in Singapore. More information about the company can be found at www.paypal.com.

GSI, acquired by eBay Inc. in 2011, is a leading provider of ecommerce and interactive marketing services for the world's premier brands and retailers. GSI offers a broad solutions suite designed to power each aspect of a merchant's online business and effectively integrate with their other channels. GSI's advanced technology, fulfillment, customer care and interactive marketing services enable its clients to elevate the consumer experience and cost-effectively sustain it over time.

X.commerce is eBay Inc.'s open commerce platform, which enables merchants of all sizes to scale and grow their businesses. By bringing together the technology assets and developer communities of eBay, PayPal and Magento, the X.commerce ecosystem delivers the fundamental technologies needed for social, local, digital and mobile driven commerce.
