* The drop from 17 to 7 was because several of the additional tickets ordered on the registration site were from people who thought they needed to buy one in order to be able to attend the banquet, i.e., did not realize that one ticket was included in their registration.

Attendees per Category	Counts
Tutorials only	2
Workshops only	53
Conference only	301
Tutorials and Workshops only	1
Tutorials and Conference only	40
Workshops and Conference only	125
Tutorials, Workshops and Conference	30

Tutorial Registrations Total: 98

Workshop Registrations Total: 167

Conference Registrations Total: 496

Note: Because some attendees registered for more than one tutorial or workshop, the sum totals of the "Tutorial + *" and "Workshops + *" categories exceed the total numbers of Tutorial or Workshop attendees. This is because we count each attendee only once, irrespective of how many events they registered for in a given category.

Actual Student Dinner attendance: About 185
