Residential Assistant Application for First Bytes, Version 7.0

Application Deadline: Friday, June 5, 2009

I understand that to apply for the Residential Assistant for First Bytes, Version 7.0 position:

1. I must live in the Jester Residence Hall during First Bytes, Version 7.0 (room and board will be provided).
2. I must be available to work during the entire week of First Bytes, Version 7.0: Sunday, June 21, 2009 through the afternoon of Saturday, June 27, 2009, 24 hours per day (appropriate breaks will be scheduled during the day).
3. I will attend one 2-hour training session prior to First Bytes, Version 7.0. Dates and times of training sessions to be determined.
4. I will start work for First Bytes at 11am on Sunday, June 21, 2009.

You MUST be able to fulfill each of the above 4 criteria to be considered for the First Bytes, Version 6.0 Residential Assistant position.

PLEASE ANSWER ALL QUESTIONS!

What break would you prefer? **(It must be the same each day. Additionally, if you are attending summer school, you must take your break during your class time.)**

- morning
 afternoon
 either

Will you be attending summer school? _____ Yes _____ No

If yes, please attach a separate sheet with your summer schedule to your application materials.

NOTE: If you are hired as a Residential Assistant, you must be able to attend the entire training session and program. I will work with your schedules and hold training sessions at a time that everyone can attend.

Please answer the following questions on a separate sheet of paper.

1. Why would you like to be a RA for First Bytes Summer Camp?
2. What special skills and abilities would you bring to First Bytes?
3. Describe any summer programs/camps you have either attended or worked.
4. Describe any experience you have had teaching others about computer science.
5. List (and describe if necessary) some computer science topics you think First Bytes participants should learn about.

NOTE: Part of the First Bytes RA hiring process includes a presentation. You will be expected to present a 5 – 7 minute lesson on some topic you would like to teach female high school seniors about. It does not have to be academic or computer science focused. Be prepared to present your topic during the training sessions.

I certify that the statements made by me in this application are true, complete, and correct to the best of my knowledge and belief and are made in good faith. I understand that any false statements made herein will void my application and any actions based on it. I understand that any offer of employment tendered me is contingent upon my agreement to abide by the rules and regulations of the Board of Regents of The University of Texas System.
