Page 103, second column, lines 1 and 2:

Original: “only after completing its phase  $l$ .”  
Correction: “only after completing its phase  $k$ .”

Page 103, second column, line 10:

Original: “that is executed its loop”  
Correction: “that is executing its loop”

Page 104, first column, line 7:

Original: “upon completion its phase”  
Correction: “upon completing its phase”

Page 104, second column, lines –8 and –7:

Original:  $\square j \in s, i \wedge m. j = k \bmod 3$   
 $\rightarrow s.i := si - \{j\}$   
Correction:  $\square j \in s, i \wedge m. j = k \bmod 3$   
 $\rightarrow s.i := s.i - \{j\}$
