

UIL Computer Science District Programming Evaluation Form - 2010

What is your conference? (circle one) 1A 2A 3A 4A 5A

How many schools in your district participated Computer Science? _____

Please give us feedback on the following issues:

1. Did you or the judges experience any problems with the judging environment? In particular, please note any problems you had with:
 - Content (was anything missing / out-of-date?)
 - Documentation
 - Installation
 - Customization
 - Judging (using the script directly or from the CD)
 - Judging (interpreting the CSDiff output)
 - Scoring
2. Do you have any suggestions for improving the judging environment?
3. Do you have suggestions for improving other aspects of the contest, or any other comments?
(continue on back if necessary)

Please return this form via mail, fax, or fill out the electronic version on the provided CD.
