

# Foundations of Security: Class Meetings

## CS 361: Summer I 2016, Dr. Bill Young

We will meet at 10am on the following days this semester. Class officially runs until 11:30am, but we likely will often finish early. It is very important that you come to class on these days. Roll will be taken and absences will affect your grade. Also, quizzes may be given at any time. All meetings except possibly the two exams (6/17 and 7/8) will be in CLA 0.130. The final will be at the location designated by the Registrar.
