CS 429 Homework 5

Name: ___________________ Section #: ___________________

Note that this assignment assumes you have been doing the reading in Chapter 3 of the textbook.

Instructions: Type in the answers to the questions below and submit on Canvas. As usual, you may collaborate with your classmates and ask for assistance from the TA. But don’t copy anyone else’s answer. Each problem is worth the same number of points (more or less).

1. Do problem 3.58 on p. 311.

2. Do problem 3.60 on p. 312 of Bryant and O’Hallaron. Fill in both the missing code and answer parts A–F.
