Good Afternoon, Colleagues

Are there any questions?
Good Afternoon, Colleagues

Are there any questions?

- Bob - experimental results
- NcNeil - BEATS
- How would you deal w/ more subtle/covert emotions
- rtNEAT other than NERO
Logistics

- Final reports due to me on Thursday

- Just one point off if turned in at my office by Friday at 3:30pm
  - Only if you’re in class on Thursday!
Discussion

- How would you deal with more subtle/covert emotions?
Discussion

• How would you deal w/ more subtle/covert emotions?

• Should agents model emotions?
Course recap

- You’ve read.
Course recap

- You’ve read.
- You’ve reacted and formed opinions.
Course recap

The original question

- What is an agent?
Course recap

- I’ve been impressed by the levels of discussions we’ve had in class
- I’m happy with the progress in writing and speaking that many of you have made
- I’m proud of all of you for sticking with it through such a demanding course
