Co-evolutionary Auction Mechanism

Steve Phelps, Peter McBurney,
Simon Parsons, Elizabeth Sklar

Evolution

- Crossover
- Mutation

Co-evolution

- Problems with evolution
- Important Aspects

Co-evolution

- Problems with evolution

- Important Aspects
  - Choice of representatives from population
  - Define fitness function
  - Who interacts with whom?
  - Ideal size of population
  - Avoidance of Collusion
  - How to measure progress?

- More details in the paper
- You should read it!
