CS 327E Project 0, due Thursday 09/03.

1. Find a project partner and choose a name for your group. The name that you choose for your will be your repo name on GitHub and will also be used to identify your group in project activities such as review sessions and presentations.

2. Request a GitHub private repo for your team by following these steps:
   - Email your name, EID, and GitHub username for you and your partner and the requested repo name for your group.
   - Email should be addressed to the Prof. and TAs
   - Copy your partner on the email
   - Email subject line should be: [CS 327E] Fall20 Team Info

   Note: You cannot create your own GitHub repo. You must request a private repo under our GitHub organization by following the steps above.

3. If you are new to git & GitHub, please take the time to go through a git tutorial (google: git tutorial).

4. Once we have created your group's repo, you and your partner will receive an invitation to join the repo. Accept the invitation and set up your git repository by following our guide. Remember to create a README file in your repo with you and your partner's full names, EIDs, and emails.

5. Follow our guide to set up your GCP account and project.

6. Create a submission.json file and submit it through Canvas.

CS 327E Project 0 Rubric
Due Date: 09/03/20

Create a `README.md` file in your team's private repository under our [cs327e-fall2020](#) GitHub organization:
 	
    ● `README.md` should contain you and your partner's full names, EIDs, and emails in the following format (not including braces):
 	
`<your full name>, <your UT EID>, <your email>`
`<partner's full name>, <partner's EID>, <partner's email>`
 	
Example:
 	
`William Chia, wc1234, chiaw@example.com`
`Prithvi Chowhan, pc1234, chowp@example.com`
 	
       -25 no private repository under the [cs327e-fall2020](#) GitHub organization
       -25 no README.md file, file incorrectly named, or incorrect info in file
	50

Create a GCP project and grant access rights to cs327e.fall2020@gmail.com
       -25 project name != team name
       -25 cs327e.fall2020@gmail.com doesn't have permission to access your project
	50

`submission.json` submitted into Canvas. Your project **will not** be graded without this submission. The file should have the following schema:
 	
`{`
    `"commit-id": "your most recent commit ID from GitHub",`
    `"project-id": "your project ID from GCP"`
`}`
 	
Example:
 	
`{`
    `"commit-id": "dab96492ac7d906368ac9c7a17cb0dbd670923d9",`
    `"project-id": "some-project-id"`
`}`
	Required

Total Credit:	**100**
