

Babylon's mission is to put an accessible and affordable health service in the hands of every person on earth. With existing operations in the UK and Rwanda, plus growing teams plans in Singapore, the US and the Middle East, we are on the path to achieving our mission. Babylon is home to the largest collection of scientists, clinicians, mathematicians and engineers and we have big plans to grow quickly in the US.

## PERKS AND CULTURE

- Health Coverage
- Stock option plan on joining, 20 days vacation

## CURRENT OPPORTUNITIES:

[WWW.BABYLONHEALTH.COM](http://WWW.BABYLONHEALTH.COM)

## EXAMPLES OF INTERESTING PROJECTS

- By combining the ever-growing power of AI with the best medical expertise of humans, Babylon can deliver unparalleled access to healthcare, including personalised health assessments, treatment advice and face-to-face appointments with a doctor
