

We're a tech company with a banking license. No matter what drives you, there's a place for you at Citi. We work on cutting-edge technology in areas like Mobile, APIs, Cloud, Big Data and Security. We're looking for world-class software engineers, project managers, product managers, data analysts, security analysts and more. Whether you join as an intern, full-timer, or member of a rotational program, we'll empower you to create and deliver impactful solutions. You'll benefit from a network of mentors, a culture of collaboration, and a supportive family environment. Solve challenges on a large scale, be part of a global workforce, enjoy great benefits, and drive innovation that impacts customers via one of the most personal products in the world — their money.

PERKS AND CULTURE

- Signing bonus
