

ExxonMobil

ExxonMobil is looking for Computer Science students with strong analytical, interpersonal, and leadership skills, for full-time and internship opportunities. Our Information Technology arm has over 7,000 associates and offers new-hires and interns the opportunity to work with and learn from a global team delivering innovative solutions that help bring energy to the world. Our state-of-the-art campus in Houston, Texas is located on 385 wooded acres. On site are fabulous dining options and markets, walking trails, even a 100,000-square foot fitness center. If you're interested in a career with a dynamic company built on a foundation of over 100 years of technical innovation, apply for a job and see how you can be part of our energy.
