

CREDERA

Credera is a full-service management and technology consulting firm. Our clients range from Fortune 500 companies to emerging industry leaders. We provide expert, objective advice to help solve complex and business and technology challenges. Credera has a well developed Mentorship program and Career Performance Review that ensures each employee is equipped to grow in his or her career. Credera has fostered a unique culture of servant leadership and humility. Employees treat each other as family and are always willing to help each other. Senior leaders of the firm are approachable and eager to build into younger employees.
