

Vista Equity Partners is a U.S.-based investment firm with offices in Austin, Chicago, New York City, Oakland, and San Francisco with more than \$46 billion in cumulative capital commitments. Vista exclusively invests in software, data, and technology-enabled organizations led by world-class management teams. As a value-added investor with a long-term perspective, Vista contributes professional expertise and multi-level support towards companies to realize their full potential. Vista's investment approach is anchored by a sizable long-term capital base, experience in structuring technology-oriented transactions, and proven management techniques that yield flexibility and opportunity.

EXAMPLES OF INTERESTING PROJECTS

- Due diligence and deal execution: work with deal teams to evaluate potential investment opportunities through industry research, data analysis, and the review of financial and business information, and support in the execution of live deals
- Portfolio company management: assist in the reporting, oversight, and operations of existing portfolio companies while implementing Vista's best practices (e.g. organizational structure optimization, sales execution, financial valuations, etc.)
- Firm operations and strategy: support cross-departmental strategic initiatives and capital raising; research and identify new investing opportunities to refine Vista's software aperture
