

Ask Me Anything!

- Examples
 - Technical
 - Why doesn't BLIS have <some feature> yet?
 - What are you working on now?
 - Why don't you ever spend much time updating libflame?
 - Retrospective
 - What is the nastiest bug you've ever encountered?
 - What is your biggest regret (or proudest achievement) about BLIS?
 - What sub-projects in BLIS have you enjoyed working on the most?
 - Personal
 - What is your creative process?
 - How have you adjusted to the end times (aka pandemic life)?
 - Can we entice you to leave UT and work for us instead?
